

Homework Policy

Aim:

- Whilst Venture Kids is an afterschool setting which focuses on Playwork and the child's right to play, we acknowledge that there is an increasing demand on children to complete homework tasks each day.
- We therefore aim to provide the space and environment for this to happen.

Procedure:

- **Venture Kids** provides a quiet and dedicated room for homework. The room is dedicated to homework for approximately 45minutes, primarily for children from Strandtown from 3.15- 4pm Monday to Thursday.
- During this time staff are available to provide support and guidance to any children wishing to do their homework while with us.
- If parents prefer that their children complete their homework while at **Venture Kids**, we request that they notify both a member of staff and their own child what is expected of them.
- Whilst we can provide the time and environment for homework to be done, as we do not have any electronic devices available to children, any homework which requires access to the internet will have to be completed at home.
